TERMS			
<p>RFX guarantees the integrity of quoted rates with the exception of reclassifications, shipment reweighs, and accessorial charges. Customers shall pay each shipment processed through RFX at the full invoiced amount. The invoiced amount could include extra charges assessed by the carrier for accessorials, reweighs, reclassifications or dry-run fees. Accessorial charges cannot be corrected after the shipment has been tendered. RFX will assist in researching the reweigh and reclassification charges. If such charges are reduced, RFX will issue a credit for the difference back to the Customer. RFX will not be responsible for any freight claims that are denied for any reason by the specified carrier.</p>
